Once a gathering place for the local families who founded this area of North Texas.

IT IS SAID THAT THE "GOOD SHEPHERD" WINDOW, WHERE JESUS HAS BEEN DEPICTED WITH SIX TOES, WAS MODELED AFTER THE ARTIST'S BROTHER.

Historic ALLEN CHRISTIAN CHURCH

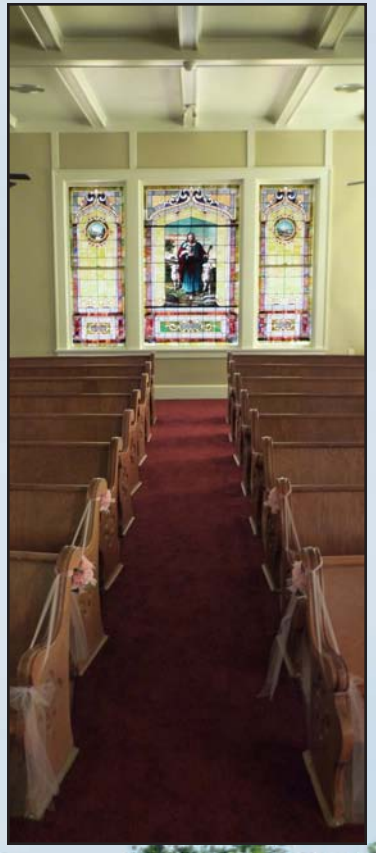
the majestic centerpiece of the Allen Heritage Village

The Allen Christian Church (Disciples of Christ) has served Allen residents since 1918. As an important landmark and anchor for Allen's downtown area for 85 years, it is now the majestic centerpiece of the Allen Heritage Village.

The church is designed in the Prairie-style architecture and is one of the surviving examples of this architectural style in Allen and Collin County. The beautiful stained glass windows are exquisite features of the church and are among the prettiest in North Texas. Many windows are inscribed with family names of some of Allen's early pioneers. These windows reflect images of European cathedrals.

The structure you see today was moved in 2003 from its original location at the corner of Main Street and Allen Drive to the new Allen Heritage Village.

Following the restoration of the facility by the City of Allen and the Allen Heritage Guild in 2008, Allen Christian Church is now available for small to medium-sized weddings. It is the perfect location for a traditional church wedding ceremony regardless of denomination. A private building adjacent to the church is available for bridal preparation. We appreciate the history of the church and the neighborhood and hope to make it a warm and inviting place. Our mission is to share the church as a community space. It is also available for community events such as the performing arts, funerals, memorials, or worship services.


We look forward to hosting your event in this friendly neighborhood church. Call today for more information or for a tour of the facility.
